

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Adopt Resolution Approving Purchase Order to Diede Construction for Gateway Repair Work, 233 South School Street

**MEETING DATE:** July 2, 2008

**PREPARED BY** Public Works Director

**RECOMMENDED ACTION:** Approve the issuance of a purchase order to Diede Construction in the amount of \$33,406.35 to perform repair work on the Gateway structure at 233 South School Street.

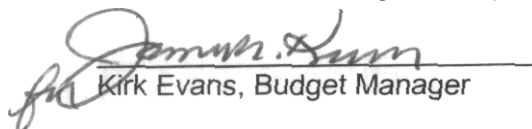

**BACKGROUND INFORMATION:** Last February, a vehicle collided with the base of the Gateway structure located on the northwest corner of Lodi Avenue and School Street. Staff has been working with Diede Construction and its subcontractor, Dura Art Stone, to obtain a quote to perform the repairs on the structure. Diede Construction has furnished the City a price of \$33,406.35 to make the repairs. Diede Construction was the original contractor on the Gateway project and is uniquely familiar with its construction. Dura Art Stone was the manufacturer of the tile covering of the columns. Therefore, multiple bids were not solicited for the repairs.

The vehicle owner's insurance company has already made a payment to the City for this repair work and for some additional costs incurred by the Public Works Department.

The City's Purchase Order Policy requires Council approval for any purchase order that exceeds \$25,000.

**FISCAL IMPACT:** None.

**FUNDING AVAILABLE:** General Fund, Damageto Property (100200): \$33,406.35
